## MORE THAN JUST FACULTY

Apart from being globally acclaimed academicians, our faculty promises to be your extended friends' circle – they teach you inside the classroom and mentor you in activities outside.

After all, dedicated attention and personalised guidance is all that we need as students, don't we?

The pedagogy of all programs offered at MAHE Dubai revolves around:

- Personalised Attention
- Beyond Classroom Mentoring
- Career Guidance

## A ROOM FULL OF KNOWLEDGE

Few of the most cherished memories of a teenager are made in the libraries. Who doesn't like an environment where they can make friends with hundreds and thousands of amazing learning materials! Are you a classic reader – one who loves to touch and feel the books you read – or the tech-savvy online reader, our library has the best of both worlds!

- **30,000+ eJournals**
- **1,56,000+ Ebooks**
- **16,000+ Books**
- **2,000+ AV Resources**
- **Dedicated Discussion Rooms**

## YOUR LEARNING APPTITUDE

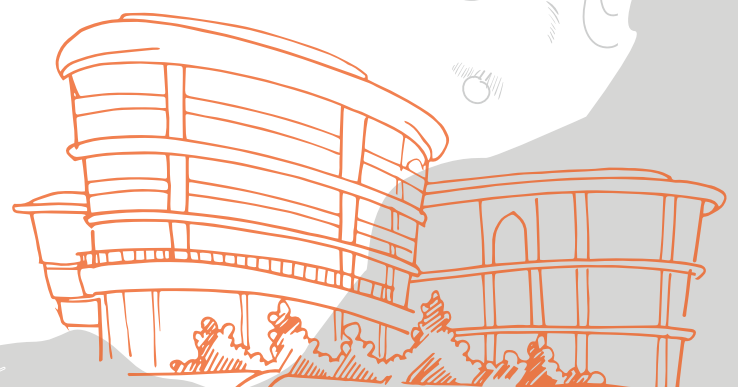

Keeping pace with the next-gen education trends, you receive app-based learning solutions for your day-to-day study needs. All course materials get periodically uploaded on our Learning Management System (LMS) that can be accessed by students anytime, anywhere.

- **App-based Learning**
- **Single-window Access to all Course Materials**

## COMMUNICATE. COLLABORATE. COLLPOLL.

A mobile-based app to help you communicate faster, collaborate seamlessly, get updates on campus events and activities, manage their learning, collaborate on projects, vote for student council elections and so much more!

- **Stay Updated with Campus News and Events**
- **Academic Discussions and Communities**
- **Tools to Collaborate and Create a Better Learning Environment**

## ACADEMIC PARTNERSHIPS

A strategic partnership with the world's leading online learning platform, helping your #TomorrowBeginToday. You get access to the world's best Universities, with dedicated mentoring and face-to-face guidance from the faculty at MAHE Dubai to complete the modules.

Another collaboration aimed to create an Accelerated Pathway for those of you enrolled in the business program to enter the ACCA Professional Qualifications Framework. This helps accelerate your progress in the ACCA Qualifications Framework and gives you significant financial savings in your certification and assessment process.

An opportunity for the students from our BBA program to be industry ready at the end of their course. A certification from Chartered Global Management Accountant (CGMA) or Chartered Institute of Management Accountants (CIMA) opens various business oriented avenues for the students.

## TESTIMONIALS

"I was a kid with a dream. I came to Manipal & I made those dreams come true. And then I made some more dreams, and now after my college, I'm on the journey to fulfil those dreams. Ever since I joined the University, it felt like a place where I can share ideas. And if I bring those ideas forward, I have the help, support and inspiration to execute them."

**DIYAB BASHEER**

Alumni, School of Media & Communication  
On how MAHE Dubai helped him with his dreams

"When I came to Manipal, I didn't have a checklist in mind. I didn't have any boxes to tick. But as soon as I entered the campus, I knew that this is the perfect place for me; I feel at home already. First day on campus, I thought I'll just focus on my studies. Funnily enough, I've done enough & more."

**RASHI KHANNA**

Alumni, School of Business  
On her life at MAHE Dubai

"During my course I had the opportunity to go to the United Nations Headquarters, I got to become the Student Council President. And not only were we given so many opportunities, but we were also given a chance to build our own path."

**MONICA PUNJABI**

Alumni, School of Engineering & IT  
On the opportunities at MAHE Dubai

"In the first semester itself we were offered an education trip to Berlin in Germany. It helped us get global exposure, understand the industry better and set the tone for the rest of my course at MAHE Dubai."

**AMAN KAPOOR**

Alumni, School of Life Sciences  
On his international educational tour

"Friendship has been a really important aspect within the class. My friends have been really close to me, which I will never forget. It's something I'll hold on to forever. Secondly, the relationship that I share with my faculty has been very special."

**YASIR**

Alumni, School of Design & Architecture  
On his friendships at MAHE Dubai
