

12:50 AM *It was a very busy day in the town of Denmark.*

And one man has been assigned a very important task.

1 AM

He is seen making his way to a large, top-secret facility outside of town.

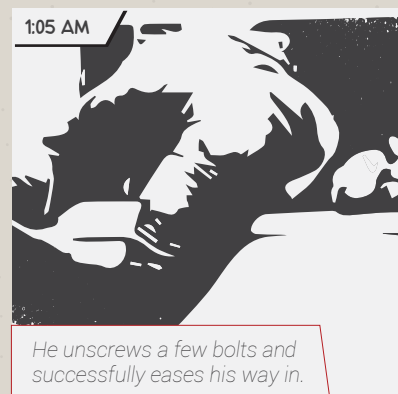

1:02 AM

Parking his car out of sight, he pulls out the floor plan and examines it before deciding on his Plan of Action.

He then sneaks his way to the rear air conditioning vent at the far end of the facility.

1:05 AM

He unscrews a few bolts and successfully eases his way in.

2:07 AM

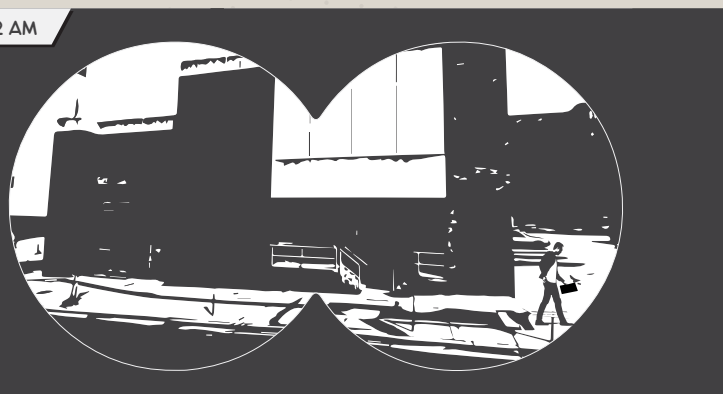

he unlocks a large cupboard, scrambles around in search of something and... tada! pulls out a big, blue folder.
